Hi there 👋

```
38 Y/o french react front-end beginner ;

100% committed to the OPENCLASSROOMS's learning process
🌱 ...in career transition

🚚 Deliverable by December 2022
--> Lookin'for 1 contrat de professionnalisation

PHILOSOPHY
Always dedicate time to improving my skill set.
```

I am applying for a first junior-mid level programming opportunity. Feeling at ease with the markdown and paper stacks*, **Ref. to my career path as a printMaker** ;-) gave me the interest to acquire a deep knowledge of JavaScript. The projects **pinned** in my repository are an important part of my learning process and show my understanding of JavaScript.

Certifications 🎓

- ☐**openclassrooms**: JavaScript React Developer 👨‍💻...*in progess*
- ☐**openclassrooms**: Web Developer 👨‍💻...*in progess*
- ☐**freeCodeCamp**: JavaScript Algorithms and Data Structures 👨‍💻...*in progess*
- ☑[**freeCodeCamp**](#) : Responsive Web Design
- ☑[**Google Digital Garage**](#) : Fundamentals of Digital Marketing

Career path

- Analogue photographer & **printMaker**
- now in professional transition **...Ongoing Digitalization**

Hobbies

- 🧘 **Yoga**: hatha & yin
- 🏔️ **Hiking**: gr20 Corsica / Traveling / Europe
- 🛵 **125cc** / driver's licence 🚗

```
Thank you for being my reader
made with love in full stack Markdown
